Dance around the Christmas tree

The Dresden Modern Brass Band brings a breath of fresh air to festive music with their Christmas programme "X-mas Brass". The brass quintet reinterprets Christmas classics such as "Winter Wonderland", "Have Yourself a Merry Little Christmas", "Three Hazelnuts for Cinderella", "Baby, it's Cold Outside" and "Silent Night" in a very special way. They also mix timeless chart hits and ensure an atmospheric, poppy pre-Christmas season.
