Mulled wine & wine products

When the scent of spices wafts through the air at the Christmas market, the Meissen Winegrowers' Cooperative is there: our mulled wine and other selected wine products bring the true pleasure of Saxon wine to the cold season.

Whether it's a warming glass of mulled wine for a quick break or fine wine products to give as gifts or enjoy yourself – you'll find the perfect accompaniment for cosy moments at the Christmas market.

Do pop in and enjoy a taste of Meissen's wine culture – we look forward to seeing you!
