Schuh Winery

Saxony / Coswig Sörnewitz

Warmth and indulgence in a glass

As the days grow shorter and the evenings cooler, the Schuh Winery brings soothing warmth to your cup: Our ‘Weingut Schuh’ mulled wine combines selected wines with delicate spices to create a full-bodied, harmonious taste experience – ideal for cosy evenings, Christmas markets and get-togethers.

But that’s not all: with our hot cocktails, we’re focusing on creative variety at this year’s Christmas market, "Lichterglanz & Budenzauber%$. Whether fruity, spicy or classic – our warm creations offer plenty of variety and surprise with new flavours. Perfect for anyone who fancies something a little different on cold days.

Enjoy the cold season with the warming specialities from the Schuh Winery – cheers!
