
Dance around the Christmas tree with the "Swing Dance Trio"

Live music for swing, Lindy Hop and Balboa

The SwingtanzTrio embodies authentic swing in its finest form: warm, rhythmic and rousing. With guitar, double bass and vocals, the trio breathes new life into the music of the 1930s and 1940s – from swinging classics and sophisticated ballads to well-known catchy tunes, all given their own danceable twist.

Whether it's Lindy Hop, Balboa, Shag or simply a lively evening out: the SwingtanzTrio's repertoire is curated with one clear aim in mind – to get people onto the dance floor. Crisp rhythms, a groovy bass line and a voice that tells stories create exactly the atmosphere that swing dancers love.
