Lehmann Winery – Diesbar-Seußlitz

From the historic wine-growing region on the River Elbe comes a treat with character: our winemaker's mulled wine from the 'Lehmann' Winery in Diesbar-Seußlitz warms you with finely balanced spices and genuine winemaking craftsmanship – ideal for cold days and convivial gatherings.

We've thought of the little ones too: our children's punch provides soothing warmth without a drop of alcohol. You can also look forward to a selection of hot drinks, exquisite Meissen wines and sparkling wine for every occasion.

Come and visit us and discover the diversity of the Lehmann Winery – we look forward to seeing you!
