

Aunt Friedl

- Großbritannien / Deutschland

This band sounds like a cosy kitchen full of stories, where suddenly the piano leaps out of the window.

With a blend of indie pop, chanson and a pinch of sassy rock attitude, they create music that is by turns dreamy and cheeky, but always delivered with a generous helping of heart.

The lyrics are sometimes poetic, sometimes direct, but always with a twinkle in the eye and an eye for detail. Whether it's a melancholic ballad or a rousing earworm – Tante Friedl manages to transform everyday life into little musical miracles. A band that sounds like more than just a cup of tea.
