

# Dobranotch

- international

The band "Dobranotch" is regarded as an internationally renowned klezmer band, now based in Germany and originally from Saint

Petersburg, Russia. For over 25 years, the band has been a driving force in the Klezmer revival movement, bringing fresh energy and authenticity to this rich musical tradition.

Dobranotch's sound is a vibrant fusion of klezmer with Russian, Roma, Middle Eastern, Ukrainian and Caucasian folk music styles – infused with contemporary rhythms, yet always rooted in the raw, acoustic spirit of a traditional Klezmer wedding band.

Having performed in over 20 countries and released 11 albums, Dobranotch has earned a worldwide reputation.

Their music has been featured in films, documentaries and television programmes, and they have been honoured with several prestigious awards, including:

- Eiserner Eversteiner (Folkherbst winner) – Audience Award
- German Record Critics' Award – Best Folk Album
- Russian World Music Award – Best World Music Project

On the stage of a philharmonic hall, Dobranotch captivate audiences as subtle artists; in clubs and at festivals, they sweep the audience into an ecstatic dance frenzy. Off stage, they become the soundtrack to a magical carnival.

They have been based in Germany since 2022 and, with an international line-up, have given our country a fresh new sound.
