

Peter Trabner

- Deutschland

“The Earthworm’s Dream Journey” by Peter Trabner is an enchanting children’s book that takes young readers on an imaginative journey of discovery. In the story, you follow a little earthworm as it sets out to explore the world both above and below the ground.

With lovely illustrations and a warm narrative style, the book explores important themes such as friendship, curiosity and a sense of wonder at nature.

Peter Trabner succeeds in conveying knowledge about the way earthworms live and their importance to the ecosystem in a way that is accessible to children. “The Earthworm’s Dream Journey” is ideal for reading aloud and invites children to let their imaginations run wild and discover the wonders of the environment in a playful way.
