

# Steaming Animals

- Deutschland

You've got to see Steaming Animals live! When the four friends unleash their rousing sound – a melting pot of indie, funk and psychedelic elements – come to life on stage, it's an invitation to switch off, dance and immerse yourself in the fusion of guitar sounds

.

Through their music, Steaming Animals create a creative space in which to explore their various musical influences and backgrounds – from pop and funk to jazz. The result is moving ballads, driving tracks and danceable, dreamy songs.

The band's lyrics are characterised by feelings of inner turmoil, which are courageously overcome with reflective light-heartedness, hope and deep friendship

.

Over the past five years, the Steaming Animals have grown into an inseparable unit. Every decision is made democratically and on an equal footing – an intense, sometimes gruelling process, but one that always pays off.
