

# Anna Rampe Theatre

"Snow White and Rose Red"

- Deutschland

One of the sisters isn't quite sure.

The other, on the other hand, is all the more certain.

Anna tells us the story of Snow White and Rose Red, and why a dwarf lives in her garden.

And, of course, why Snow-White ends up knowing more than she thought she did. She meets Bärtram, a prince who really does still have a lot to learn.

An exciting fairy tale that keeps coming back to the question: Who does the world belong to, and who is actually the bear?

With plenty of linguistic wit and beautiful characters by Mechtild Nienaber, the fairy tale of Snow White and Rose Red is retold whilst remaining true to the original.

**Awards: Winner** of the 2023 Ikarus Award from the Youth Jury, an accolade from the Berlin Youth Culture Service for outstanding theatre productions for children and young people.
