MuNo on Stage – From Saxony to Taiwan

- Deutschland, Taiwan

Dance brings worlds together: the dancers from our MuNo Dance Studio will be performing pieces they have learnt in their classes in Show Dance, ballet, hip-hop and contemporary dance.

In addition, a select group of dancers from the various groups will perform cross-genre scenes from the international theatre project 'Saxony meets Taiwan'. A varied programme blending tradition, modernity and the sheer joy of movement – from here all the way to Taiwan!
