Love and Other Problems

- Deutschland

Klabarett – that's Franziska Till (vocals) and Gero Neuroth (piano). Franziska Till is the singer in the band »Soul Cycle« and performs on stage as a puppeteer. Gero Neuroth is the pianist in the band »Bugs in Paradise« and together they combine stylistic versatility, an authentic stage presence and an irrepressible joy in performing.

With charm, wit and light-heartedness, the duo explores the ups and downs of relationships. Their repertoire includes lively German-language songs by artists such as Bodo Wartke, Christiane Weber, Max Raabe and Annett Louisan.

Musically varied and with a touch of humour, the programme may not offer the solution to all relationship problems, but it certainly makes you smile about them.
